Accept PASS with confidence follow the 5 step process:

- 1 Check the design - does it match the examples given? Or is it an old style design or a Young Scot card?
- 2 Check the hologram - is it genuine and flush with the card?
- 3 Check the photo - does it match the cardholder?
- 4 Check the card - has it been tampered with?
- 5 Check the person - are you satisfied?

'A small number of local authorities also issue PASS hologrammed cards, as identified on our website, please check for any local issuers. You may see these from time to time - please carry out the 5 Step Due Diligence Process when checking any PASS card'
